¹ First Affiliation, ² Second Affiliation (if different), ³ Third Affiliation (if different) (10-point)

*abc@defg.hij.ac.jp (Corresponding author, 10-point)

Keywords (Maximum: 5 keywords, 10-point): Non-equilibrium, Green processing, Cold sintering, ...

The extended abstract should be written in **English**. The length of the abstract is **2 pages**. The abstracts accepted for presentation will be published in the meeting-abstract (an electronic media) and distributed to participants of the meeting.

The abstract must be prepared using this template. Authors should be listed consecutively by initials and last name. Indicate the presenting author by underlining the name. If you would like to apply for the Young Researcher Award, please place a star (☆) symbol before your name.

The content should be in 10-point, single space, and single column. Type the text only within the text area. Everything on the page must fit within the text area, including tables, figures, and captions. Times New Roman is the recommended font. Table and/or Figures can be included in the abstract. Place the table caption over the table. Allow one blank line after each table before you resume typing text. All figures must be reduced to the appropriate size and positioned in place. Center the drawing above the caption and number all figures with Arabic numbers (Fig. 1, Fig. 2, etc.). Center the photograph above the caption. Color photographs and figures are acceptable. The abstract should be submitted by **August 22th, 2025** via the website of IGPAC2025.

✖Please eliminate the instructions below when upload your abstract.
