

Information for Poster Presentation for International Symposium on Green Processing for Advanced Ceramics in 2025 (IGPAC 2025)

Dear all,

Thank you very much for your presentation applications and submission of extended abstract at IGPAC2025.

Please refer to the following points when creating your poster:

- Poster size: The area available for the poster is limited to a rectangle 2100 mm height by 900 mm width.*
- Please make sure the poster fits within the allowed display area. (e.g. A0 size is 1189 mm height x 841 mm width.)*
- Posters must be mounted to the board with pushpins, and they are available at the poster board.*
- Posters for the first presentation date will be available for display from 5:00 p.m. on Sunday, October 5th.*
- Poster presenters on October 6th must remove their posters on the same day after the session ends.*
- Any posters remaining after the October 9 meeting will be disposed of.*

Please feel free to contact us if you require more information.

We sincerely appreciate your cooperation in making IGPAC 2025 a success.

Sincerely,

IGPAC 2025 Organizing Committee
